

AURORA TURNERS
A SOUND MIND IN A SOUND BODY

June 5, 2020

To the Membership of the Aurora Turner Club,

The Board of Directors of the Aurora Turner Club met Thursday night June 4th, 2020 to discuss the possible reopening of the Aurora Turner Club. The board looked at many different options including the costs of opening with only outside service versus waiting to reopen under a later phase of the Restore Illinois plan.

At this time the Board of Director's has decided to wait on reopening the club until at least Phase 4 of the Restore Illinois plan or June 26th, 2020 or even possibly to a later date. The Board of Directors will be meeting on a regular basis as things further develop with regards to COVID-19 and Restore Illinois.

As it has always been our goal to provide you with the best Social Club in the Aurora area for over 100 years our goal throughout this pandemic is the same. We are all waiting for things to return to normal but that is not currently the reality. We are gearing up to be ready to provide you with a safe, clean and inviting environment that you can bring your family back to.

While there is not an exact date yet for the Aurora Turner Club to reopen it will be as soon as possible when we are able to do so using your membership dollars wisely. Stay tuned for more information as we get closer to welcoming you back safely.

On behalf of the Aurora Turner Club Board of Directors,

Randy Roe

Aurora Turner Club President
