Message from Your President

Greetings my Fellow Turners,

I'd like to begin my column this month letting you, our membership, know of the resignation from the Board of Directors of Shirley Anderson. Shirley has served you well as a Board member during her time on the Board. Shirley served on many committees and contributed her time and energy to the club in many ways. Thank you Shirley for your input of time, energy and ideas. You will be missed. Election information is posted in the club and by email blasts.

This weekend is the 77th National Convention of the American Turners. To those delegates from both the Aurora Turner Club and the Illinois District of American Turners I want to say Thank You for the time and expenditures you are giving to attend. To the Aurora Turner Club Board of Directors I say Thanks for the stipends you approved for the Aurora Turner Club delegates that are attending. At this time I am not sure that I will be attending due to my commitments at work. We are in the immediate time frame for a State of Illinois Annual inspection and I need to be at work when it occurs. It is part of my other responsibilities outside of Aurora Turners. I have thoughts on some thing that follow. Please take time to read all of my letter.

As your President, I did attend a preliminary meeting to discuss the convention among delegates to the National Convention which is being held at Concordia Turners in Saint Louis. At this meeting we had a few National Officers in Attendance including from Aurora: Ed Colton, President of the Endowment Trust Fund, Nick Barts who represents the Illinois District for President, Scott Lau and Craig Sniezek who is Editor of the Turner Topics magazine that you receive either by snail mail or email. Hopefully the latter as its very expensive to mail. Other Turner members from Aurora were in attendance as well as from other Illinois Societies. This meeting was held at Elgin Turners, which is a very nice club and I encourage you visit them some time and, it was planned by Tom Bozonelos, Senior Board member from Aurora .

At the meeting the delegates in attendance reviewed and discussed proposed resolutions to change the American Turner Bylaws. There are 15 changes proposed with only 2 being controversial in nature. Resolution #11 will take away a vote of the Chair of the Bowling Committee from the membership by eliminating that vote from the National Council. Bowling is one of the most successful National Tournaments hosted by American Turners. Elimination of that position on the National Council might save a few dollars but at what cost? It was discussed among the delegates and most felt that resolution should be defeated. The next resolution to be changed could hit you right in your wallet if it is not defeated.

Changes proposed by Resolution #15 will take away from the membership of American Turners the right to vote Yes or No for a per capita increase at the National Convention. It is proposed that the ability to Raise Per Capita and therefore possibly your membership dues be given to the National Council members to raise per capita by a 2/3rds vote of the National Council. I was able to secure promises to vote NO to any per capita increase by those in attendance of the Nation Council. Thank you Ed, Nick and Craig for standing up for your membership's right to representation for any per capita increase. Thank you to the other delegates that also said they would vote NO on this resolution. This is continued on the next page.

Message from Your President

Continued from page 1

In encouraging this resolution to be voted down, I recognize that there is sometimes a need for an increase in funds for either Operating expenses which increase almost annually or Capital expenditures which need to be covered. I believe the National Council should look at what they are proposing to do. They are taking away representation from the membership that pays the most to American Turners.

A good friend who is a strong believer in American Turners told me, Aurora doesn't really care about Turners, they don't have many people attend National events and hardly have anyone at the National Convention to even vote for these things. I agreed. For the most part that is true but we have had participation at every National event held this year one way or another. We also support all of these events through purchases of Ad pages. Our Gymnastics program under Kim Swann is the Best!

I told my friend that whether Aurora Turner members go to the National Convention or not, that it is their choice to be in attendance and to vote or not. The right to vote in a Fraternal organization should not be taken away from its membership. We are American Turner Members. We should have that vote. Again, we are the largest and most successful Turner Society in the United States. I encourage all of the Aurora Delegates and all of the National Officers of American Turners to vote down Resolution #15. Speak to your fellow delegates. Encourage them to vote NO on #15. If the National Council needs additional funds, please put forth the reasons and ask your membership to support your needs. If there is indeed a need for an increase. Reach out to me. I'll lead the fight to keep American Turners a viable organization. We are Aurora Turners Strong. Thank you for reading my thoughts.

Moving on to other local news we have some great specials coming up in August for you our membership. We are continuing our Half Price Family Pizza Night on Tuesdays. We're getting a good following on that and you can't go anywhere and get a better homemade pizza for what we charge.

On Tuesday Nights from 7:00pm to 11:00pm we are having Ladies' Night out or Happy Hour for all of our Ladies. We are offering \$1.50 Off any mixed drink in the house. This is for every Tuesday night in August between 7:00pm and 11:00pm.

For the Beer drinkers we might have as members or guests, we are offering you your very own special. Stop up for \$2.00 Bottle or can of Domestic Brands of beer. Sorry, No Craft beers, Modelo or Corona. This is from open to close for the Month of August. This special is for inside the Clubroom only. Bring your neighbors, friends, volleyball or softball teams into the club and enjoy a nice cold one for only \$2.00. This is our way to say Thank you for a very successful summer 2018.

As I just said, This has been a very good summer financially for the Aurora Turner Club. It is you, our members and the guests you bring, that help me to say that. Thank you. Think about signing those guests up as members. Another Thank you goes out again to our Volunteers. Aurora postponed their Fireworks display from the 4th of July to last Friday night. What a night and crowd we had. To my Board members that were here, Sean Rumble on the grill, Mark English, Tom Reed and especially John Heiss for putting everything together, Thank you. What a great group to work with. Thank you to Janet Rumble in the concession stand with her crew and Melvin Miller for helping on the grill. To Reyna Miller for getting us a DJ on short notice. Thank you. To the cooks and bartenders that worked inside. What a great night it was and you did a fantastic job.

In closing I say Thank you to all of our membership. Whether you are here a few days a week or a few days per year you make a difference. Our membership and our employees make a difference. I say Thank you to all. Sorry for the long letter. It's on time.
