[Message from Your President](#)

Greetings my Fellow Turners,

I write this to you as my last official letter as President of the Aurora Turner Club. As you know we had our annual elections in December 2020 with new Officers and Directors being voted to your Board of Directors. I myself could not run again for President due to term limits stated in our By Laws.

I'd like to Congratulate those who were either reelected or voted to office for the first time.

For President, Mark English who is the current VP.

For Director of which there were 4 open positions, Nick Richardson and Frank Jones who were reelected to a full term and Kate Payne and Mike Seppelfrick who will be new to this next year's Board with Mike having been a Past President and Kate working for the American Turners. Congratulations to all of you and if there is ever anything I can help with, please reach out to me.

To our membership, I'd like to ask you to please continue to support your new Board of Directors as you always have in the past. We were faced with many tough choices over the last year as a result of the COVID-19 pandemic. I can honestly say that we always tried to do our best for you, our membership, while balancing the needs of the club and our employees.

Speaking of employees, I would like to say Thank You to all of you; be it Amber and Ann who have been balancing the needs of the office while waiting on you at our outside dining area, the part time bartenders who fill in as needed, or Mike in the kitchen who keeps the food rolling out to you, or Steve our maintenance man who keeps toilets unplugged, parking lots plowed or alarms answered in the middle of the night, or Kim Swann who leads our Gymnastics programming and watches over the Sports Complex. Thank you to all of you. Our Club is blessed to have such dedicated employees, both full or part timers.

I encourage you to pay your 2021 dues or contribute \$12.50 towards your per capita if you are a 25+ year member. It has been an honor and privilege for me to serve as your President and Board Member for over 10 years. Be safe.

With Turner Greetings,

Randy Roe

Aurora Turner Club President
