

AURORA TURNERS
A SOUND MIND IN A SOUND BODY

To Our Aurora Turner Club Members,

Pending final Phase 4 approval of the Restore Illinois plan, the Aurora Turner Club will be reopening on **Friday, June 26th, 2020**.

This has been a long trying time for all of us and moving forward, at least temporarily, there are some changes you will see at the club.

Among these are the days and hours of business. We do not know how many people will immediately return to using the Club so the Board of Directors has adjusted the hours of business.

Effective immediately Friday June 26th the Aurora Turner Club will be open the following days and times:

- Closed Sundays and Mondays.
- Open on Tuesday, Wednesday and Thursday from 2:00pm to 10:00pm.
- Open on Friday and Saturday from Noon until Midnight.

We realize this is a change from past schedules but everything is subject to change in the future based on the volume of business. Please understand that the Board is being mindful of spending your membership dollars wisely.

When reopening we will be following the guidance of the Illinois Department of Public Health and the recommendations of the Restore Illinois plan and the Department of Economic Development of the State of Illinois. More information will follow as soon as the details of Phase 4 are made available by the State of Illinois.

There will be seating limitations, social distancing and training for employees both in the Clubroom and the Gymnasium and Sports complex. More to follow.

We look forward to seeing you back. If we have too many members we will have to limit access based on the guidelines not yet released.

Thank you for your understanding and support through this pandemic.

Randy Roe
Aurora Turner Club President and your Board of Directors.
